

Heart Bracelet Sale to Benefit Cardiac Patients

St. John Providence Foundation is proud to announce a partnership with Ahee Jewelers this holiday season on a very special charitable campaign. Ahee Jewelers has created a beautiful, heart-shaped, sterling silver bracelet — in an original, exclusive design — that will be a featured fundraiser for the health system.

The sterling silver bracelets are available for \$60 in hospital gift shops on all St. John Providence campuses. Proceeds from the sale of the bracelets will support The Edmund T. Ahee Cardiac Patient Assistance Fund.

Thank you to Ahee Jewelers for their generous and continued support of patient care at St. John Providence.

St. John Providence is part of Ascension. Together, we are dedicated to providing compassionate, personalized care in our community.
